MEDICAL EXAMINER'S CERTIFICATE INFORMATION

New Federal Requirement

If you are required to have a Medical Examiner's Certificate the Federal Motor Carrier Safety Administration (FMCSA) now requires your medical examiner to send your updated medical examiner's certificate directly to the Department of Motor Vehicles (DMV). Under the new federal requirements, DMV cannot update your record unless we receive your medical examiner's certificate electronically through the National Registry of Certified Medical Examiners.

Find a Medical Examiner

Only medical examiners listed on the National Registry of Certified Medical Examiners can submit your new medical examiner's certificate to DMV. To find an examiner near you, visit www.nationalregistry.fmcsa.dot.gov.
